Our Classroom Values

We Never Stop Improving

We lend an ear to both praise and feedback to deliver our best work.

We Bring a Can-Do Attitude

We confront challenges with enthusiasm and figure things out. We value effort,
Commitment, learning, and an attitude toward growth.

We Only Succeed Together

Team work is critical to our success, and we place a tremendous value on how we work
together across the entire cohort.

We Respect the Rights, Differences, and Dignity of Others

We want to create a learning space where people can bring their full selves. In order to do
this we must all respect the diversity of our experiences and how it contributes to our
learning.
